

KICKOFF GAME DAY WITH

CATS
CAPITAL AREA TRANSIT SYSTEM

Touchdown Express is back for the 2018 football season, transporting LSU fans and visitors to and from all LSU home games, keeping thousands of cars off of campus and out of traffic.

HOW DOES IT WORK?

Touchdown Express starts three hours before kickoff and runs until one hour after the game. CATS buses pick up riders at five locations around Baton Rouge and drop them off close to Tiger Stadium, in Lot 406 at LSU. After the game, CATS returns riders to the original pick-up locations.
